

## *Clothing & Equipment List - Day Trip*

---

### ***The Basics***

- Water bottle
- Waterproof coat (weather dependent)
- Hat
- Sunscreen
- Warm clothes (on the river it can be breezy at any time of year)
- Personal medications
- Camera (waterproof)

### **On the Boats**

- Clothes that can get wet- when the river is low there's a chance you'll be in and out of the boat
- Old runners or sandals that strap tightly to your feet, covered toes are best!
- Long Shorts / Bathers
- We can provide splash jackets but in warmer weather a light long shirt for sun protection is best
- A strap for your glasses or sunglasses to keep them from falling off
- AVOID Denim and AVOID singlet's and short shorts on the water
- Don't forget a change of clothes and dry shoes for after the river 😊
