DRAFT GIPPSLAND LAKES RAMSAR SITE MANAGEMENT PLAN

Members of the community are invited to participate in discussions about the draft Gippsland Lakes Ramsar Site Management Plan.

Ramsar sites are wetlands that have international importance under the 'Ramsar Convention on Wetlands' and offer significant habitat for migratory birds and other threatened species.

The draft plan aims "To maintain, and where necessary improve, the ecological character of the Gippsland Lakes Ramsar site and promote wise use".

The plan includes actions for management agencies and requirements for monitoring of site condition, to identify changes in the ecological character.

Sale – Wednesday 20th May 2 pm OR 5:30 pm Quest Conference Room, Sale 180-184 York Street (Princes Highway)

Bairnsdale – Thursday 21st May 2 pm OR 5:30pm DELWP, 574 Main Street (Meeting Room 1)

These sessions provide an opportunity to talk individually to the authors of the draft plan.

Please RSVP to egcma@egcma.com.au; Ph: 5150 3567
